RE: Review of the June 02, 2014 Forest Stand Delineation Plan (FSD), Aris T. Allen Blvd.

Mr. Mellits,

As discussed, your environmental consultant will meet with our staff in the field to determine the location and extent of the ephemeral stream. Once that has been decided, the Forest Stand Delineation will be complete. We are available at your convenience. Please contact me to set up a meeting.

Sincerely,

Frank Biba, AICP, LEED AP
